A Message From The Publisher

The 2023 Town Planner Community Calendars for Corona and Riverside mark my sixth year of publication. An inaugural 2023 Central Riverside edition has joined the established editions in West Riverside, East Corona and West Corona. The Calendar continues to be an invaluable information resource for many homes with its listing of community events, the local school schedule, and a directory of phone numbers for city and county services. The money-saving coupons at the bottom are usually exclusive to the Calendar.

If you are a new user of the Calendar, I will share with you a story that has been told many times. In 2017, my first foray into entrepreneurship by starting this home-based Calendar business resulted from a desire to spend more time with my son Karson, who was 11 at the time. I left a financial career in Corporate America. Like past years, to symbolize this major life decision, Karson once again graces the Calendar cover.

The 2023 Corona theme is "Creating Art is Smart... Art Enriches and Inspires Our Children". Special thanks to Edgar Tarin, owner of Team Car Care, for allowing his son Daniel to feature his dragon drawing on the cover, and to Qamar Hassan, owner of Vito's Italian Pizza, for having his daughter Eshal provide her butterfly drawing. Finally, I appreciate the time and effort put forth by Patrice Dolphin, owner of Elementary Art Stars, for arranging for her students to showcase their drawings on the monthly photos. Needless to say, these students and their respective parents have my utmost gratitude as well. This year's theme is to emphasize that the arts remain a vital component of a child's education and development.

This Calendar is free because business sponsors/advertisers in the Calendar want to serve the community by supporting the positive messaging and community involvement fostered by the Calendar. Their financial commitment and overall efforts put into the Calendar should never be taken for granted. In turn, we can serve these businesses by giving them careful consideration when a need arises for a service or product provided by them. Your patronage will be supporting local small businesses.

I am proud to highlight the Mary Kay Independent Beauty Consultant featured in this Calendar, Stormy Li. The last name gives it away as she is my wife. She is also a full-time, college Professor of Dental Hygiene and Registered Dental Hygienist (RDH) who fell in love with the products at her first Mary Kay party – so much so that she decided to become a Mary Kay consultant and first-time business owner.

I am truly grateful for the continuing support of Bobby Spiegel, President of the Corona Chamber of Commerce, and Nick Adcock, President of the Greater Riverside Chambers of Commerce, along with their respective, dedicated teams. They create opportunities to help me find ways to grow my business.

The start of a new year is a time for renewed optimism, so set your goals high and don't settle. Remember kindness and TRUE empathy toward others usually makes any situation a little better.

I hope this coming year turns out to be the most meaningful and most productive year yet.

Blessings to you in 2023

Lester Li, Owner/Publisher

IN THE SPOTLIGHT: STORMY LI, MARY KAY INDEPENDENT BEAUTY CONSULTANT

Stormy Li becoming a Mary Kay Independent Beauty consultant this past year was unexpected, given she currently is a full-time Associate Professor of Dental Hygiene at West Coast University. But family and friends would see her certain spirit that propels her to be an explorer and knowledge seeker on new topics. She went to her first Mary Kay party to be helpful and have some fun. However, with a masters degree in Health Education and continually on a quest to learn how things put into or on our bodies impact our health, she was clearly impressed with the Mary Kay products and their inherent ingredients. She leaving the party as a Beauty Consultant is actually consistent with her fearlessness in trying different occupations.

She has had many jobs, especially as a young adult, and nearly all of them focus on directly serving the general public. Her resume includes being a fast food worker, restaurant server, bartender, commercial painter, and even a gas station attendant (way back when they pumped your gas). She loves teaching and helping people as reflected in her additional careers as an elementary school teacher and practicing dental hygienist.

Stormy believes her primary role as a Beauty Consultant is to educate and help others pursue their health and beauty goals. She is clearly passionate about such endeavors. She believes if a woman feels good about her skin and her looks, her confidence will naturally resonate. Through one-on-one or group skincare sessions, Stormy believes in being a good listener in helping individuals find the products best suited for them.

Outside of the classroom and skincare parties, Stormy is a dedicated volunteer for the California Dental Hygienists' Association (CDHA). In 2019, she received the CDHA's President's award for her volunteerism.

Stormy's greatest joy comes from being with her family, especially her children Kelsey and Karson, and being a grandma to a beagle named Mackie.

Ladies, get your mojo on. Stormy is just one phone call or text message away (951-744-9060).
