A Message From The Publisher

As Publisher of the Town Planner Community Calendar, I appreciate the continued support and positive feedback from my Calendar sponsors, along with residents who enjoy using my Calendar. The 2024 edition marks my 7th year of publication. Like the previous two years, I have added another edition for Riverside – the Riverside East edition covering Orangecrest and Woodcrest. Over 50,000 calendars were mailed out for 2024 with three community editions in Riverside and two in Corona.

The Calendar is a free gift from the local businesses in the Calendar whose owners are committed to community engagement and positive messaging provided by the Calendar. This year's Calendar theme of "Sun's Out, Fun's Out...Time to Digital Detox" is to instill a renewed focus on getting our children off their digital devices and back to outdoor activities, given the well-documented physical and mental health benefits which would result. Packed with community events and the local school schedule, along with a phone directory of important City and County services, the Calendar serves as an important informational resource for any household.

The 2024 edition marks the last time that my son Karson will appear on the cover, given he will be graduating from high school and off to college. Through the years, he has been on every Calendar cover across all the editions (except for one). The story is well known to my long-term Calendar users that I left my career in Corporate America to start my home-based Calendar business so I could spend more time with him. Time sure flew by quickly.

Please use the coupons in the Calendar and patronize the sponsoring businesses, while letting them know the Calendar brought you there. We should never take for granted that the sponsors are truly the ones who have made this free gift possible!

Wishing each of you a happy, prosperous and healthy 2024.

Sincerely,

Lester Li, Owner/Publisher
Town Planner Community Calendar

IN THE SPOTLIGHT: STORMY LI, MARY KAY INDEPENDENT BEAUTY CONSULTANT

Stormy Li becoming a Mary Kay Independent Beauty consultant this past year was unexpected, given she currently is a full-time Associate Professor of Dental Hygiene at West Coast University. But family and friends would see her certain spirit that propels her to be an explorer and knowledge seeker on new topics. She went to her first Mary Kay party to be helpful and have some fun. However, with a masters degree in Health Education and continually on a quest to learn how things put into or on our bodies impact our health, she was clearly impressed with the

Mary Kay products and their inherent ingredients. She leaving the party as a Beauty Consultant is actually consistent with her fearlessness in trying different occupations.

She has had many jobs, especially as a young adult, and nearly all of them focus on directly serving the general public. Her resume includes being a fast food worker, restaurant server, bartender, commercial painter, and even a gas station attendant (way back when they pumped your gas). She loves teaching and helping people as reflected in her additional careers as an elementary school teacher and practicing dental hygienist.

Stormy believes her primary role as a Beauty Consultant is to educate and help others pursue their health and beauty goals. She is clearly passionate about such endeavors. She believes if a woman feels good about her skin and her looks, her confidence will naturally resonate. Through one-on-one or group skincare sessions, Stormy believes in being a good listener in helping individuals find the products best suited for them.

Outside of the classroom and skincare parties, Stormy is a dedicated volunteer for the California Dental Hygienists' Association (CDHA). In 2019, she received the CDHA's President's award for her volunteerism.

Stormy's greatest joy comes from being with her family, especially her children Kelsey and Karson, and being a grandma to a beagle named Mackie.

Ladies, get your mojo on. Stormy is just one phone call or text message away (951-744-9060).

Errol Talley, Owner Of Jersey Mike's Subs - Norco

Given the many Jersey Mikes Subs throughout the Inland Empire, most residents do not know that Errol Talley paved the way in 2011 with the Grand Opening of the first Jersey Mike's store in the IE at its current Norco location. With a BS in Economics from academic powerhouse Cal Poly State University - San Luis Obispo, Errol gained valuable sales and management experience in Corporate America with Proctor & Gamble and Tennant Company. Therefore, he was well positioned to tackle his first entrepreneurial venture. Errol is often seen working at the counter or back in the kitchen at his Norco store, hand in hand with his team members. The same discipline and work ethic that awarded him a college basketball scholarship and eventually a degree has also served him well in business.

Errol is friendly and approachable if you catch him at his store. However, scratch the veneer of this successful yet unassuming business owner, and you'll find a devoted husband who cherishes his wife Vina and a proud father who speaks not only of the accomplishments of his three daughters (Jia, Jada, and Jasmine) and son (Trey), but also of their stellar character. Vina is a school teacher at Orange Elementary in Corona, and given Errol's background, it comes as no surprise that all four of their children have prospered in their personal development by excelling in both academics and sports. Errol and Vina enjoy outdoor activities as a family affair, with riding ATVs and side-by-sides in places like Ocotillo Wells and Glamis (both in California) and Marysville, Utah – all are favorite destinations.

Errol's commitment to the community was evident at the Norco store's Grand Opening as a fundraiser for the Blues Youth Soccer Club was a key part of that day's celebration. Errol continues his commitment today by supporting and fundraising for local youth sports teams.

Give Jersey Mike's Norco a visit and say "Hi" to Errol.

Magic of Live, Immersive Events at Riverview Recreation Park

Riverview Recreation Park is the home of the only permanently built Renaissance Village in Southern California. We host the Koroneburg Renaissance Festival in May and June, and Coffin Creek in October. We also rent the park for private events year-round, including weddings, parties and quinceañeras. Originally built as a nature center in the 1970s, it was abandoned by the county until 1998 when Tom Wilson and Patty Long revived it. They gathered a community of renaissance enthusiasts who worked together to build the Koroneburg Village over the next 18 years. In 2016, Tom passed away and the business was transferred to its current owners Basem Chaikhouni, Rick McCoy and David Pulcifer – a team dedicated to supporting the vibrant communities that developed here and helping more people in Eastvale and surrounding cities to discover the magic of live immersive events.
