A Message From The Publisher

As Publisher of the Town Planner Community Calendar, I appreciate the continued support and positive feedback from my Calendar sponsors, along with residents who enjoy using my Calendar. The 2024 edition marks my 7th year of publication. Like the previous two years, I have added another edition for Riverside – the Riverside East edition covering Orangecrest and Woodcrest. Over 50,000 calendars were mailed out for 2024 with three community editions in Riverside and two in Corona.

The Calendar is a free gift from the local businesses in the Calendar whose owners are committed to community engagement and positive messaging provided by the Calendar. This year's Calendar theme of "Sun's Out, Fun's Out...Time to Digital Detox" is to instill a renewed focus on getting our children off their digital devices and back to outdoor activities, given the well-documented physical and mental health benefits which would result. Packed with community events and the local school schedule, along with a phone directory of important City and County services, the Calendar serves as an important informational resource for any household.

The 2024 edition marks the last time that my son Karson will appear on the cover, given he will be graduating from high school and off to college. Through the years, he has been on every Calendar cover across all the editions (except for one). The story is well known to my long-term Calendar users that I left my career in Corporate America to start my home-based Calendar business so I could spend more time with him. Time sure flew by quickly.

Please use the coupons in the Calendar and patronize the sponsoring businesses, while letting them know the Calendar brought you there. We should never take for granted that the sponsors are truly the ones who have made this free gift possible!

Wishing each of you a happy, prosperous and healthy 2024.

Sincerely,

Lester Li, Owner/Publisher
Town Planner Community Calendar

Welcome to the 2024 Riverside Town Planner Community Calendar!

Riverside continues to thrive as home to a prosperous community with good quality of life and opportunities for growth for businesses and residents.

As the 12th largest city in California, Riverside is also at the center of one of the fastest growing regions in the country. More residents, businesses, and visitors are finding our community as a desirable place to live, work, and play. As you turn through these pages each month, you will see there are many events and programs that showcase the best of local offerings.

Riverside also boasts a variety of opportunities for entertainment, recreation, and leisure. In all sectors, businesses are creating new jobs that reinvest back into our economy and create wealth-building opportunities for our residents.

Simply put, Riverside has everything you need. We at the Chamber are honored to live in, work with, and support a community with so much to offer.

Welcome to Riverside!

Nicholas Adcock
President/CEO
Greater Riverside Chambers of Commerce

www.riverside-chamber.com

IN THE SPOTLIGHT: STORMY LI, MARY KAY INDEPENDENT BEAUTY CONSULTANT

Stormy Li becoming a Mary Kay Independent Beauty consultant this past year was unexpected, given she currently is a full-time Associate Professor of Dental Hygiene at West Coast University. But family and friends would see her certain spirit that propels her to be an explorer and knowledge seeker on new topics. She went to her first Mary Kay party to be helpful and have some fun. However, with a masters degree in Health Education and continually on a quest to learn how things put into or on our bodies impact our health, she was clearly impressed with the

Mary Kay products and their inherent ingredients. She leaving the party as a Beauty Consultant is actually consistent with her fearlessness in trying different occupations.

She has had many jobs, especially as a young adult, and nearly all of them focus on directly serving the general public. Her resume includes being a fast food worker, restaurant server, bartender, commercial painter, and even a gas station attendant (way back when they pumped your gas). She loves teaching and helping people as reflected in her additional careers as an elementary school teacher and practicing dental hygienist.

Stormy believes her primary role as a Beauty Consultant is to educate and help others pursue their health and beauty goals. She is clearly passionate about such endeavors. She believes if a woman feels good about her skin and her looks, her confidence will naturally resonate. Through one-on-one or group skincare sessions, Stormy believes in being a good listener in helping individuals find the products best suited for them.

Outside of the classroom and skincare parties, Stormy is a dedicated volunteer for the California Dental Hygienists' Association (CDHA). In 2019, she received the CDHA's President's award for her volunteerism.

Stormy's greatest joy comes from being with her family, especially her children Kelsey and Karson, and being a grandma to a beagle named Mackie.

Ladies, get your mojo on. Stormy is just one phone call or text message away (951-744-9060).

The Douglas Brothers' Inspiring Journey with Junk Dawgs

Drew Douglass' story is a journey marked by bold choices and unwavering passion. In August 2020, he took the extraordinary step of leaving the University of Redlands to pursue his vision. His mission was clear – provide exceptional service and a great atmosphere for team members. Drew, characterized by his infectious energy and an unyielding commitment to community, embarked on this path with his brother, Zach Douglass, at his side. Zach made a significant career shift, leaving his job as a teacher to join Drew's venture. Their synergy transformed Junk Dawgs into a business founded on camaraderie and an extraordinary work ethic.

Junk Dawgs stands out for its dedication to relentless consistency and professionalism. Their services aren't just about clearing out junk; they are about delivering top-tier service with a smile and a strong emphasis on sustainability. Moreover, as part of operating a junk removal company, Drew and his team are deeply rooted in their community. They actively participate in local events, organize cleanup initiatives, and tirelessly advocate for responsible disposal and recycling. Their focus on the community doesn't end with their services; it extends to every facet of their operation.

Drew's leadership, propelled by his vibrant personality, has created a company culture founded on passion and dedication. They genuinely love what they do, and this affection for their work is evident in every project they undertake.

Together, Drew and Zach have brought a distinct brotherly bond to the business, enriching the team dynamic and elevating client interactions. Their journey with Junk Dawgs is an inspiring testament to the power of relentless passion, family values, and steadfast focus on a shared vision.
