## A Message From The Publisher

As Publisher of the Town Planner Community Calendar, I appreciate the continued support and positive feedback from my Calendar sponsors, along with residents who enjoy using my Calendar. The 2024 edition marks my 7th year of publication. Like the previous two years, I have added another edition for Riverside – the Riverside East edition covering Orangecrest and Woodcrest. Over 50,000 calendars were mailed out for 2024 with three community editions in Riverside and two in Corona.

The Calendar is a free gift from the local businesses in the Calendar whose owners are committed to community engagement and positive messaging provided by the Calendar. This year's Calendar theme of "Sun's Out, Fun's Out...Time to Digital Detox" is to instill a renewed focus on getting our children off their digital devices and back to outdoor activities, given the well-documented physical and mental health benefits which would result. Packed with community events and the local school schedule, along with a phone directory of important City and County services, the Calendar serves as an important informational resource for any household.

The 2024 edition marks the last time that my son Karson will appear on the cover, given he will be graduating from high school and off to college. Through the years, he has been on every Calendar cover across all the editions (except for one). The story is well known to my long-term Calendar users that I left my career in Corporate America to start my home-based Calendar business so I could spend more time with him. Time sure flew by quickly.

Please use the coupons in the Calendar and patronize the sponsoring businesses, while letting them know the Calendar brought you there. We should never take for granted that the sponsors are truly the ones who have made this free gift possible!

Wishing each of you a happy, prosperous and healthy 2024.

Sincerely,

**Lester Li, Owner/Publisher**

## Welcome to the 2024 Riverside Town Planner Community Calendar!

Riverside continues to thrive as home to a prosperous community with good quality of life and opportunities for growth for businesses and residents.

As the 12th largest city in California, Riverside is also at the center of one of the fastest growing regions in the country. More residents, businesses, and visitors are finding our community as a desirable place to live, work, and play. As you turn through these pages each month, you will see there are many events and programs that showcase the best of local offerings.

Riverside also boasts a variety of opportunities for entertainment, recreation, and leisure. In all sectors, businesses are creating new jobs that reinvest back into our economy and create wealth-building opportunities for our residents.

Simply put, Riverside has everything you need. We at the Chamber are honored to live in, work with, and support a community with so much to offer.

### Welcome to Riverside!
